

GUPTA SPRING INDUSTRIES

— PRECISION. STRENGTH. PERFORMANCE. —

Manufacturer and Exporter of Springs
for Automotive, Agriculture, Tractor, Bicycle,
Irrigation & Hardware Industries.

Tension Springs
Torsion Springs
Compression Springs
Conical Springs
Shocker Springs
Wire formed Springs
R-Pins
Cotter Pins
Spring Washers
Linch & PTO Pins, Etc.

More than 10 YEARS
Experience in Spring manufacturing.

Company Brief Gupta Spring Industries

Gupta Spring Industries is AN ISO 9001:2015 Certified Company, established in 2021 by Mr. Vikas Kumar. We are a trusted manufacturer and exporter of precision-engineered springs, delivering high-quality, reliable, and customized spring solutions to diverse industries across domestic and international markets.

With advanced manufacturing capabilities and a team of skilled professionals, Gupta Spring Industries specializes in producing a wide range of industrial springs and wire form components for sectors such as automotive, agriculture, tractor, bicycle, irrigation, hardware, and allied engineering industries.

Our state-of-the-art production facility is equipped with fully automatic CNC spring manufacturing machines imported from Taiwan, enabling us to deliver precision-engineered products with consistent quality and high production efficiency. We manufacture springs in wire sizes ranging from 0.15 mm to 8 mm, meeting the diverse requirements of various industrial applications.

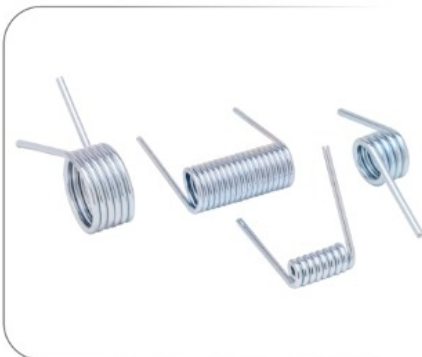

Our Infrastructure

At Gupta Spring Industries, our manufacturing setup includes advanced CNC spring coiling and forming machines, precision tooling, quality testing equipment, and modern production processes that ensure every product meets stringent quality standards. Our focus on precision engineering, durability, and performance has helped us become a preferred supplier to multiple industrial sectors. Driven by innovation and backed by modern technology, Gupta Spring Industries continues to strengthen its presence as a dependable manufacturer and exporter of industrial springs and wire form components, committed to supporting industries with reliable, high-performance spring solutions worldwide.

Our Manufacturing Range

**COMPRESSION SPRINGS****CONICAL SPRINGS****TENSION SPRINGS****SINGLE TORSION SPRINGS****DOUBLE TORSION SPRINGS****SHOCKER SPRINGS****SPIRAL SPRINGS****DOUBLE COILED SPRINGS****WIRE FORMING SPRINGS****R-PINS****LINCH PINS****PTO PINS**

GUPTA SPRING INDUSTRIES
